Thank you again to all the students who come to class in the correct uniform. We will continue to encourage students to attend class properly dressed, as we believe the students work better if they look like a dancer.

Term 1 fees **MUST** be finalised **by 14th April** to avoid added administration charges.

Term 2 fees are due **MAY 12th**

COSTUME DEPOSIT REMINDER

Purchasing of costumes has begun, please send the deposit to the class teacher by no later than next lesson if not already paid. Costumes for some classes will be purchased online and in this case we will be asking for a top up payment if deposit does not cover purchase price. We will notify you if this is required and prompt payment will be appreciated as bulk order cannot be made until all have paid.

Classes without a volunteer costume coordinator will need to prepay an extra \$5 to go towards hiring a costume coordinator.

Thank you to all the costume coordinators who have already put in time in design and organisation for the students costumes. Most coordinators are parent volunteers and have generously donated their time to make a difficult task easier for me and each parent. Please support them as much as you can.

If you have any queries about costumes please see your coordinator.
