We are very pleased with the progress of our rehearsals for our concert. It is shaping up to be an entertaining show for you and your family and friends. Tickets for the show will sell fast so book soon. Encourage all your family and friends to come along and support your child. It will mean a lot to them. There is also a large cost to present the show of which ticket sales largely contribute.

DVD- We have Limitless Media Productions filming our show and order forms are available at the studio. Concert dvds are extremely popular with the children and are watched time and time again and the make fantastic presents for birthday and Christmas!

FEES- There are still many Term 1& 2 fees are overdue- I would very much appreciate it if you could please finalise outstanding accounts by July 8th to avoid administration fee.

Fees must be up-to-date for students to perform in the concert.

Please contact me if you need an alternative arrangement.

DUE DATE for Term 3 is August 4th to qualify for the discount fee.

Please **NOTE** the concert is in **TERM 3 not at the end of term 2**

Our annual concert in August is a major production and a large amount of organization and team work is required to enable it to happen. I am very grateful for the assistance that is contributed by family and friends. We have a few spots still not filled. Please help us out for at least one of the performances.

PLEASE NOTE- I do not charge extra fees for stage rehearsals and try to keep ticket prices to a minimum, term fees are also used towards costs and so it is the requirement that all students performing in the concert pay the full term 3 fee regardless of whether they complete the term or not. Fees must be up-to-date by the concert. (unless prior arrangement is made)
