Please ensure that your child has the correct uniform.*

Many families have changed their address and/or phone number please inform me

as soon as possible if yours has changed.

PAGEANT DAY- Please let Sian/Vanessa/Niamh/Brooke know if your child will be absent so they are able to plan their lessons appropriately on this day.

Also please remember there is **NO SMOKING** on school property at any time!

In the interest of child safety, we ask that all children under 15 be escorted to and from the studio for their classes. Whilst teachers take every care, teachers are not able to supervise students before class and after they have been dismissed from class. We understand that often parents/caregivers drop off and pick up at the gate but it is always our advice that parents/caregivers accompany students to and from class. If parents/caregivers do not accompany children, then it is on the understanding that children are unsupervised until class commences and after class has been dismissed.

Please make sure you are contactable by the mobile phone number you have supplied while your child is at class.

STRENGTH AND FLEXIBILITY- Students often speak to me about how they can become more flexible and be able to do a beautiful penche arabesque, have high legs in developes or be able to do multiple pirouettes etc. Our strength and flexibility class on Saturdays at 12pm trains young bodies safely to assist in the development of these skills. Contact me if your child wishes to enroll.

COMPETITIONS Also students interested in competition solos etc –please let me know as places are limited and parents need to fill out an enrolment and consent form. Practices for competitions will commence immediately. Auditions may apply.
