

Turn Our Sadness Upside Down

Leigh Newton © 1996

♩ = 90

1. Turn our sad-ness up-side down, Take our tears and turn them 'round
2. Res-cue us from our des-pair, Com-fort us when we are scared,
3. Give us hope for days to come, Give us strength to car-ry on,
4. Je-sus, help us on our way, Heal these bro-ken hearts we pray,

Touch us, heal us, lift us up when we fall down. Turn our sad-ness up-side down.
Hold us, calm us, tell us of your love and care. Res-cue us from our des-pair.
Re-con-nect us, res-sur-rect us with your song. Give us hope for days to come.
Mend us, tend us, set us on your road each day. Je-sus, help us on our way.
